The Matco-Norca Promise

Matco-Norca has been providing quality products exclusively through the wholesale channel for over 60 years. Our faucet lineup features several complete and unique families that encompass multiple designs and price points.

Our Padova and Builder Light families offer matching accessories to complete the suite, while our pressure balanced rough-in valves (with and without stops) are universal across every family, excluding Value Engineered. Furthermore, four of our families feature ceramic valve technology and we are proud to say that our lavatory and tub & shower products are EPA WaterSense® certified. Last but not least, our faucet program fully complies to the Safe Drinking Water Act (SDWA)/Federal Public Law No. 111-380 and all California Energy Commission requirements.

Matco-Norca's faucet program offers a limited lifetime warranty that fully encompasses both finish and function regardless of the application. Whether you are looking for entry level offerings to "value engineer" a project, or luxury products for your showroom, Matco-Norca has the warranty, breadth of products and finishes to ensure a lifetime of trouble-free satisfaction.

Why buy from Matco-Norca?

Matco-Norca began in 1952 as a pioneer in sourcing valves. Since then, Matco-Norca has grown to be one of the largest independent suppliers of Valves, Fittings & Nipples and Faucets & Plumbing Specialties in the United States. Throughout the decades, Matco-Norca has become an established leader of offering quality products at competitive prices.

In addition, we also have highly trained direct sales personnel combined with outstanding rep agencies to ensure that your needs are met on time, every time. Simply stated, Matco-Norca's culture is rooted in providing consistent quality service to our customers across all facets of our business.
