

# 225 Series Valve Warranty

## Limited Ten Year Warranty

Matco-Norca warrants that its 225 Series Valve Products conform to the description and specifications contained in its published technical literature and are free from defects in material or workmanship for a period of ten (10) years from the date the products are first shipped to the primary purchaser. Matco-Norca shall not be liable for the incidental or consequential damages incurred due to storage, handling or installation practices incurred after the initial sale of the products.

Matco-Norca's sole liability hereunder and buyer's exclusive remedy for breach of warranty is expressly limited, at Matco-Norca's option, to (1) replacement at the agreed point of delivery of any products found to be defective or not in conformance with the descriptions and specifications contained in Matco-Norca's published literature (at the time of the initial sale), or (2) repair of such products, or (3) refund or credit to the initial purchaser for the price of such products.

Matco-Norca's warranty shall not apply to any product that has been altered after the initial purchase or any product that has had parts or components replaced or re-worked that were not of Matco-Norca's manufacture or without Matco-Norca's written consent.

The foregoing warranty does not cover failure from misuse in an application for which the part is not designed, for or from external forces including but not limited to earthquakes, vandalism, vehicular or other impact, excessive torque or frost heave.

No warranty claims for defective or non-conforming products will be allowed unless Matco-Norca is given a written notice of such claim and given an opportunity to inspect the products in such claim.
